# Swansea – Somerset Youth Soccer League

## 2007-2008 Indoor Instructional Soccer Program

### U5-U12 Divisions

SSYSL is pleased to announce that we are once again offering an Indoor Instructional Soccer Program this winter for players in the U5-U12 age groups. (U-5: 4yrs old by 07/31/07 to U-12: 11 yrs old by 07/31/07). This program will run 12 weeks from December through mid/late March and the season will be divided into two sessions.

The first session will be dedicated to teaching the players skills, playing fun games and they will end each practice with an instructional scrimmage game. The second session will be instructional games where the teams will play a full 45-minute game against the other teams/players in their age division.

We are very excited about offering this program once again for the young players in our league since we feel that this will give your children a fun activity to play throughout the winter. We are now entering our 8th winter season with our Indoor Soccer Facility and the Board of Directors are very proud of this facility since if you haven't seen it yet, you will be quite impressed. We have invested a lot of time and money in making this a great facility for the players of our league. Not many soccer leagues in this state or country can say that they have an Indoor Facility for their Players to learn and play the game of soccer once the weather gets cold.

The fee to have your child(ren) participate in this program is the same as our Fall Season.  
One child = \$50: Two children (same family) = \$80: Three or more children (same family) = \$100.

**Required Equipment:** Shin guards, soccer socks, sneakers or indoor soccer shoes.

**Not Allowed:** jewelry or plastic elbow/knee pads.

**If you would like to register your child(ren) in this program, please complete the registration form on back and mail to the address to the right:**

**SSYSL**  
c/o Joseph Sousa  
163 New Jersey Ave.  
Somerset, MA 02726.

If you have any questions or comments you can contact Joe Sousa or Linda Sousa at 508-677-9453.

#### **Directions to the Indoor Soccer Facility:**

##### **From 195E, Swansea / Somerset / Seekonk / Providence:**

On 195E (once you enter Massachusetts), after you cross the Braga Bridge and enter Fall River, immediately following the City Hall Tunnel take Exit #7 - Plymouth Avenue. Please note that there is one off ramp from the highway for Exits #6 & 7 and be sure to stay left on the Exit since you want #7. Proceed to the traffic light and you want to bear left onto Plymouth Avenue and go back under the highway. Just before Burger King, at the Honey Dew Donuts sign, you will take a right onto Wordell Street. Take the next left, which is Front Street and you will end up behind Burger King. On the right is a large mill (old factory) and this is the building that we are located in. Follow past the building and in between the Mill and Sherwin Williams Paint Store is the entrance to the rear parking lot. Please note that the entrance to our Facility is just around the side/rear corner of the main building – wooden steps with a tan colored awning. The Indoor Soccer Facility is on the 4th Floor.

##### **From 195W, Rt 24 N/S / New Bedford:**

On 195W, take exit #7 - Plymouth Avenue. At the end of the ramp you want to bear right onto Plymouth Avenue. Just before Burger King, at the Honey Dew Donuts sign, you will take a right onto Wordell Street. Take the next left, which is Front Street and you will end up behind Burger King. On the right is a large mill (old factory) and this is the building that we are located in. Follow past the building and in between the Mill and Sherwin Williams Paint Store is the entrance to the rear parking lot. Please note that the entrance to our Facility is just around the side/rear corner of the main building – wooden steps with a tan colored awning. The Indoor Soccer Facility is on the 4th Floor.

**Note:** If the gate to the rear parking lot is closed/locked, please turn around and go back to Wordell Street. Take a left onto Wordell and enter the parking lot from the side/rear entrance. Follow all the way to the opposite side. Park and enter the building from the door described above. Visit Our Website For League Info: [www.ssyssl.net](http://www.ssyssl.net)

# Indoor Instructional Soccer Program

## U5-U12 Divisions

### MYSA/USYSA 2007/2008 Membership Form

Affiliated with the United States Soccer Federation (USSF) and Federation Internationale de Football Association (FIFA)

Age Brackets: date of birth (please circle one):

U5: 8/1/02 - 7/31/03

U6: 8/1/01 - 7/31/02

U7: 8/1/00 - 7/31/01

U8: 8/1/99 - 7/31/00

U9: 8/1/98 - 7/31/99

U10: 8/1/97 - 7/31/98

U11: 8/1/96 - 7/31/97

U12: 8/1/95 - 7/31/96

Program runs for 12 weeks December – March at our indoor facility

Location: 88 Front St. Fall River, MA.....Limited openings in each age group.

PLAYER INFORMATION:

DATE: \_\_\_/\_\_\_/\_\_\_

This form must be completed and mailed to the address below, along with the appropriate fee. **PLEASE RETURN BY NOV 1, 2007** (Please Print & Only One Child per Form)

## Message to Parents

### SSYSL Soccer Fields Dream – Becoming a Reality !!!!!!!

The league is getting very close to finishing all the necessary town reviews/approvals and if all goes well, we will take ownership of land from the Furtado Family by the end of the year. We are on the verge of accomplishing one of our long term goals, owning our own land for the creation of Swansea-Somerset 1st ever soccer field complex. As many of you know, our goal for over 10 years now was to find a piece of property that we could build our own fields dedicated to soccer. The league has always used town owned property (first in Swansea and for about the past 15 yrs, North Elementary School in Somerset). While we appreciate the use of the land/fields very, very much, it is town owned property and due to this, we do not have a secured place to play forever since if the town ever decided to develop the land for something else or complete an addition to the school, we would not have a place for the 1,000 children who play soccer in our league each fall, to play this great game.

We would like to offer a **SPECIAL THANK YOU** to Mr. Flanagan (Swansea Superintendent of Schools), Karen Oliveira (Coach and former Board Member), Ken Furtado and his Family. They all have played instrumental roles in helping us identify the future, long standing home of SSYSL. The land is located on Rt 118, about 1 mile up from the Swansea Mall, and it contains 17 acres.

Another major accomplishment for our league last year was the addition of our Snack Truck. For many years we have wanted to have a concession stand that would be operated by the league. However, since we play on town property – we could not easily put up a building and run our own stand. Thanks to some creative thinking by the members of our Board, we came up with the idea of a mobile stand by converting an old bread delivery truck. If you purchased something from the truck last year, you might have noticed that we completely converted the inside of the truck to make a great snack stand with counter tops, shelving, an interior paint job and more.....However, the outside needed work since it was dented here and there, the paint was a bit weathered and all the old bread truck labels could still be seen through the coat of paint that the dealer applied with a roller.

Well, since last winter we have had some very special help in making the outside of our Snack Truck look like NEW. Due to the very generous donations and help from:

- 🚗 Diman Regional Vocational Technical High School – who completed all the body work repairs including the removal of the old bread labels.
- 🚗 MAACO of Fall River – for their tremendous donation and support by painting our Snack Truck.
- 🚗 LEA Designs – for their generous donation and help with truck graphic design.
- 🚗 Signs & Sites in Seekonk – for their very generous donation and help with producing and applying the new graphics on the truck.

This fall when you visit our Snack Truck, you will see what a creative group of Board Members and 3 terrific organizations can do to turn an old retired truck into a very identifiable and awesome snack stand for members of our league.

If you are in the need of autobody repairs or require a sign, banner or business graphics (building or vehicle) SSYSL respectfully request that you consider MAACO of Fall River and Signs & Sites in Seekonk as your first business choice.

Please visit Diman's website ([www.dimanregional.org](http://www.dimanregional.org)) for more information on the technical education that they can offer your son or daughter. Diman offers sixteen technical programs and students work under the close supervision of competent instructors who stress the concept of learning by doing. The atmosphere in all of the shops, is one that simulates the real working conditions that are found in the trade.

- ⚽ Our fall recreational league continues to be as successful as ever when you consider that we consistently registered between 975-1,150 children each year.
- ⚽ We also are one of the very few soccer league's in the country that can say we have our own Indoor Soccer Facility !!! The facility is now entering it's 8th year and doing very well for us. All of our Spring Travel Teams practice in the facility over the winter in order to prepare for the spring season and this added training for the players in our towns is improving the play and skill level of our players. A great example of this is that in 2007 our Boys U12 Spring Travel Team won the Division II Championship !!!!! Congratulations to a job well done !!
- ⚽ As a way to continue to develop our players, we have decided to launch a new program this year.....Fall Travel Teams. SSYSL has participated for many years in a Spring Travel League where town teams compete against one another over the course of the spring season. However, we have never participated in any type of travel or competitive division during the Fall Season, since all of the neighboring towns focus on their recreation programs. Due to this, we have decided to allow a select few teams who performed at a very high level this past spring, to assemble a Fall Travel team. These Fall Travel teams will be entered in the Massachusetts Soccer Conference (MASC). MASC is a very competitive league that is made up from very talented town teams and club teams throughout this area of Massachusetts. This will hopefully continue the players development through the fall and get them even more prepared to perform at a high level in South Coast League this spring.
- ⚽ Another program that we are proud of is our Indoor Instructional Soccer Program. For 6 years now we have offered an instructional program for our younger players all winter long. The program is offered at a very reasonable price, when compared to what other local indoor soccer facilities are charging for instructional programs.

Due to its great success, we have extended the program by one age group each winter and this year is no exception. The Instruction Program for the winter of '07-'08 will be offered to U5-U12 players. However, space is limited so sign up early in order to have your child play a terrific sport all winter long in a heated indoor soccer facility.....Please turn to the 2nd page of this booklet for more information on the program and a Registration Form.

As you can see, thanks to all of the volunteers who coach teams, the fantastic families & businesses in our community who support our league, and due to all the hardwork & creative people on our Board, we continue to expand and improve our league to levels that were only considered wishful thinking a few short years ago !!!!!

## **Parking Issues**

SSYSL needs everyone's support and help in understanding the major parking issues we encounter every year. The issue is that a large number of people are parking in the marked FIRE LANES, NO PARKING AREAS and ON THE GRASS of the school. Also, no one should be parking on the south side of Whetstone Hill and people should only be parking on the North / School side of the street.

People need to park in designated parking spaces at the school and you can no longer park anywhere you like. Please note that there is a large parking area on the rear side of the school that must be used when the lot in front of the fields is full. There is plenty of parking spaces on the other side of the school and the walk is shorter than parking

half way down Whetstone Hill Road. So please check it out and hopefully more people will begin to use it.

If people continue to park in non-designated areas there are serious ramifications that can occur and they include.

- 1) Tickets to those who park in these no parking areas and the police can decide to tow all the cars that are in violation, at the owner's expense.
- 2) The hiring of a Police Officer to work the school parking lots on Saturday's to enforce the parking requirements. This officer would have to be paid by SSYSL which means that everyone's registration fees for next year will need to increase in order to pay for this service.
- 3) The town could decide to revoke our permit to play soccer at North Elementary in which this ramification would mean that SSYSL would not have a place to have games and soccer for everyone's children could come to an end in Swansea & Somerset.

**PLEASE ONLY PARK IN DESIGNATED PARKING AREAS AND DO NOT PARK IN FIRE LANES, NO PARKING AREAS AND ON THE GRASS. PLEASE FOLLOW THE SIGNS THAT HAVE BEEN POSTED.**

## **Volunteers Needed**

SSYSL is a league that has succeeded for over 25 years due to the parents who have volunteered their time to help make this league what it is today. This year we have over 1,000 children playing soccer in the fall season and none of this can be done without the help of parents stepping forward to volunteer their time to be coaches, board members, team Mom and Dads and referees. Soccer is a very easy sport to learn, teach and coach. We offer coaching clinics to show new coaches and parents fun games and skills that they can use with the children to teach them the game of soccer. You don't have to be an expert in soccer and it doesn't matter if you never played the game as a kid. All you need to do is be able to relate to kids and be organized. By learning some simple games, the kids will learn the skills practically on their own. You just need to guide and mentor them. If you are willing to volunteer your time to this great game and league, please contact one of the age group directors of the league since they would love to talk to you about how you can help. Call the league at 508.673.6423 and let us know that you want to help and someone will contact you.

## **New Soccer Goals**

As most of you are aware, a few years ago SSYSL made a major investment in purchasing all new soccer goals, nets and nylon sand bags to secure these goals. The league has invested a large amount of money in the purchase of this new equipment and we ask for all the players and parents to help in keeping these goals in great condition.

**Please don't allow children to climb or hang on the goals and please help us in making sure that the new sand bags are placed on the rear back bar in order to secure these goals in place.**

## Important Topics

- ⚽ SSYSL has established a relationship with a clothing supplier who is located in Swansea, Mad Max Shirt Company. If you are interested in purchasing a polo shirt, sweatshirt, fleece, baseball cap and/or jacket with the Swansea-Somerset Youth Soccer League logo embroidered on them, please check out the samples that are located at the Snack Truck. For a small additional charge, you can have a name and jersey number added to the sleeve. At the snack truck we stock baseball caps. However, for anything else, you can take a flyer which list the articles for sale, the price and Mad Max's contact information so that you can place your order and embroidery request. Mad Max will typically have your order ready for pickup in a week.
- ⚽ Don't Address the Referee's. Coaches and parents are not supposed to be talking to the ref's or questioning calls during the games. We actually had an incident the past where a spring coach was questioning one of our younger linesman. In the end.....the 12 yr old linesman was right and the 40 yr old coach was the one who was wrong. Many coaches and parents think they know the rules, however they really don't fully understand the rules so please let the referees make the calls since they have gone to classes and taken tests on the rules. If you feel a error was made, please inform either the Referee Director (Joshua Davies) or Fred Booth. We will then determine if an error was indeed made and if so, we will explain to the referee the proper interpretation of the rules so that they can improve. Our referees are young and learning the game just like the players, so please let them learn it without the added stress from coaches or parents yelling at them.
- ⚽ Wednesday 9/26 - Please note that there will be no games scheduled on this night since it's Parent/Teachers night at North Elementary. Due to "MAJOR PARKING ISSUES" that would occur if we had games and so that parents are free to meet with the teachers at the school, we have decided not to schedule soccer games on the same night.
- ⚽ Please be sure to check the goals before every game to ensure that the sand bags are placed on the rear of the goal. Children have been hurt in the past due to goals flipping over because a child is either hanging on the cross bar or a heavy wind flips it over. For saftey purposes, please be sure to check that the bag(s) are on the rear bar and that children are not hanging or climbing on the goals.

## Important Topics, continued

- ⚽ Soccer cleats or sneaker, shin guards and soccer socks should be worn by every player for every game. If a child does not have the proper equipment the referee will not allow the player to play..... Soccer socks are required to be worn over the shin guards to cover any exposed plastic and the shin pads should “NOT” be on the outside of the socks. **“BASEBALL CLEATS” are “NOT” allowed** for soccer no matter if they are plastic. The reason is for safety. If you look at the bottom of a baseball cleat you will see that at the tip of the toe there is a cleat and on soccer cleats there is no cleat in this position. Children accidentally kick one another all the time and with the cleat on the tip of the toe, this can cause an injury.....Baseball cleats are not allowed no mater if the cleats are plastic or steel.
- ⚽ No Practicing at North Elementary since we schedule games for every week night until it gets dark too early to play a full game and we have games on the week-ends for the entire soccer season. There is simply not enough available space to have teams going to North Elementary to practice. Also, if there are any open nights/times on the schedule – these may be used for makeup games due to inclement weather.
- ⚽ Games need to Start on Time - All coaches and players need to arrive at the fields at least 15 minutes before the game is scheduled to begin since we must start games on time...We can't have coaches and players showing up exactly when the game is supposed to begin and then have the game start 5 minutes late. Otherwise, the last game of the day is going to be 30-40 minutes late and if your the coach/parent who has the last game - you will not be happy.
- ⚽ Parents must remain in the spectator side of the field and NOT behind the net or on the player's side of the field.
- ⚽ For the younger division where the coach is on the field, only ONE COACH should be on the field coaching during the game. This is to eliminate confusion on the part of the players and due to space concerns. The second coach should be on the bench with the players to keep them organized/focused on the game and to teach/explain things that are going on in the game to these players who are watching and hopefully learning.
- ⚽ Substitutions on the fly are not allowed. Subs are only allowed on the quarters unless a player is suddenly unable to play due to an injury, emotionally stressed or feeling ill.

## **Thank You**

On behalf of the players and parents of SSYSL we would like to extend our deepest THANK YOU to all the coaches and Board of Directors who volunteer their time to help make SSYSL the best soccer league in our area.

We would also like to thank everyone who sponsored a team or donated money to SSYSL; your contributions make it possible for SSYSL to be affordable for all our families.

I hope everyone has and exciting an enjoyable soccer season and see you all on the Pitch.

Thank You,

*Fred Booth*

SSYSL President
